

Another sterling reissue from Speakers Corner is **CHARLES MINGUS's Oh Yeah** (★★★★★,

SPEAKERS CORNER LP), the 1962 LP being a passionate, full-blooded affair, with killer playing (and

vocalising) from Mingus alongside the killer moves from Roland Kirk and Booker Ervin. Opener, 'Hog Callin' Blues' is a finger-snapping swinger, but highlights are many, including shout-along 'Eat That Chicken', the bluesy 'Devil Woman' and mournful Cold War lament 'Oh Lord Please Don't Let Them Drop That Atomic Bomb On Me', all sounding pristine on this remaster.
