ARETHA FRANKLIN, PRETTY THINGS, SIMPLE MINDS & MORE!

Posted on 15th November 2019

Brief commentary of vinyl releases from Speakers Corner, Madfish, BMG and Universal

SPEAKERS CORNER

A host of goodies from this German audiophile outfit (www.speakerscornerrecords.com) includes *Aretha: Live at Fillmore West* (1971). Backed by an excellent band, there's enough energy here to light a city. A quite brilliant, fulfilling and sparkling live event.
